Description:

The Triple XXX 212 is a heavy duty loudspeaker cabinet designed to perfectly match the Triple XXX combos and can also be used to make a small stack using the Triple XXX or any other amplifier head. It is loaded with two rear-mounted, custom-designed chrome-plated Sheffield 12" Triple XXX speakers.

The Triple XXX 212 can accommodate any playing style, and emphasizes the low end while allowing chiming mids and highs to cut through for tight, rhythmic

playing and thick chords. The inclusion of a stereo/mono wiring system provides the user with either mono 16 Ohms total or 8 Ohms per side stereo.
