PICKUP

Peavey® USA Design

Construction: Hi output Tappable Humbucking, dual coil

Magnet Type: Ceramic 5 bar

Description: Dual Coil, extended magnetic window, 14 DC output. Peavey's versatile rotary tone/coil cut tone pot with treble bleed circuit allows clarity in both single coil and humbucking modes. Fully shielded 4 conductor cable and chrome plated "exposed coil" cover affords quiet operation and allows maximum adjustability.

The Robert Randolph Signature Powerslide features an exclusive spacing bar which is fully adjustable, so you can place the instrument away from your body to suit your taste!
